

PERKS OF COMMERCIAL

Do you want to create more revenue for yourself by closing the same, if not, a smaller number of deals? BOXX is your perfect partner to make that happen. With our expertise, we are here to help you make the transition to selling commercial energy. With your same sales strategy, we can maximize your revenue by offering you with back-office support and the best splits in the industry.

AVERAGE DEAL REVENUES:

RESIDENTIAL- \$75-\$100 (12,000KWH)

COMMERCIAL- \$2,520 (150,000KWH)

YOU (THE BROKER) HAVE US TO LEAN ON AT ANY TIME DURING THE SALES PROCESS WHICH ALLOWS THEM TO OVERCOME ANY OBSTACLES THAT MAY ARISE.

OUR PARTNERS HAVE THE POWER TO PICK HOW THEY WANT TO BE PAID (UPFRONT/RESIDUALLY)

Partnering with BOXX gives you access to 90+ suppliers with the best rates in the industry, licensing in all deregulated markets across the United States, a personal Account Manager that is there to assist you at any point and our patented software that generates pricing proposals for you with a couple clicks. On top of all that we offer the best splits and payment options in the industry.
